## MEDIA ADVISORY

For Immediate Release      December 11, 2023

### MCTXSheriff Hosts 7th Annual Operation Blue Elf Bikes and Badges Event

On December 9, 2023, the Montgomery County Sheriff's Office teamed up with the Montgomery County Constables Offices, Montgomery County Hospital District, and the Willis Fire Department to provide bicycles and a Christmas experience for over 300 children. After receiving a bicycle, our special guests were able to tour emergency vehicles, meet the men and women of law enforcement, enjoy food, games, bounce houses, and even take a photo with Santa!

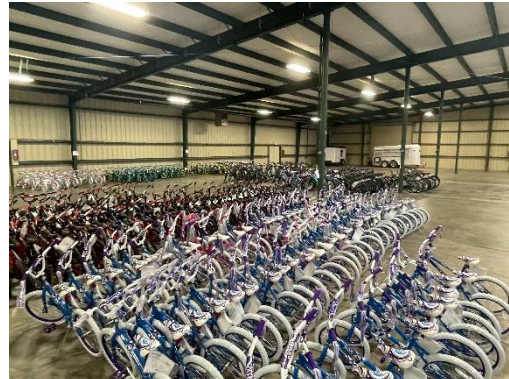

Generous support from our community partners made this event possible. Without the partnership of Woodforest National Bank, Waste Connections, Blue Ox Moving and Storage, Entergy, Wal-Mart, HEB, Enchanted Party Rentals, North Shore Republican Women, Live Action Booth and Rentals, and The Montgomery County Sheriff's Citizen's Academy Alumni Association, this event would not be possible! We are so thankful to all our partners who came out to support us.

The Montgomery County Sheriff's Office would also like to thank all our Law Enforcement and First Responder family for their generous support and friendship. We could not have made this event successful without you.

The Montgomery County Sheriff's Office and all Montgomery County First Responders would like to wish our citizens a very Merry Christmas! [More pictures on page 2]
